# Retailing Principles: Global, Multichannel, And Managerial Viewpoints

## Synopsis

What is retailing today? Who are the players and how do they operate? And what will happen tomorrow? These are just some of the questions addressed by *Retailing Principles: Global, Multichannel and Managerial Viewpoints*, 2nd Edition, which has been thoroughly updated to reflect current trends and conditions in the global retail market. An essential companion for any student seeking a career in the world of retail, the text focuses on the strategies that retailers both large and small are employing to thrive in this challenging economic climate, and in a marketplace where globalization, multi-channel retailing, and issues of sustainability are dominant factors.
