The Prevention And Treatment Of Pressure Ulcers

Synopsis

Written and edited by a team of experts, this remarkable book offers a unique holistic, client-centered approach and discussion of the very latest trends and issues in pressure ulcers, as well as the general principles of assessment and treatment. It also provides a wealth of user-friendly learning tools, including learning objectives, self-assessment questions, learning activities, key points, and summaries of vital information for each chapter. Need-to-know information is broken down into easy-to-understand tables. THE PREVENTION AND TREATMENT OF PRESSURE ULCERS features full-color artwork throughout and the two-column format aids in learning.
