# Careers In International Affairs

## Synopsis

This is the essential resource and job-hunting guide for all those interested in international careers in the US government, multinational corporations, banks, consulting companies, international and nongovernmental organizations, the media, think tanks, universities, and more. Careers in International Affairs, now in its ninth edition, provides up-to-date insights about the range of possibilities in the global workplace and tips on how to get these jobsâ• along with profiles of hundreds of important employers. This helpful guide includes a directory of more than 250 organizations who offer internationally oriented jobs such as the US Department of State, CIA, United Nations, World Bank, J.P. Morgan Chase, Google, McKinsey & Company, and dozens more. The book also includes insightful testimonies about what these careers are really like from both junior and senior professionals in these fields. Careers in International Affairs gives advice on academic paths that will prepare students for demanding international careers and guidance on how to write resumes, interview for jobs, network, and maintain their online profile. Published in cooperation with the Edmund A. Walsh School of Foreign Service at Georgetown University, the oldest school of international affairs in the United States, Careers in International Affairs will encourage job seekers to consider their goals and talents, widen their horizons to consider new possibilities, and help them realize that their future can hold several careers, while reminding all that it is never too earlyâ• or too lateâ• to consider the realm of opportunities that await them throughout the world.
