Adventure Kayaking: Russian River Monterey

Synopsis

Explore by kayak the lagoons, bays, rivers, and lakes of Northern California, including the Russian River, San Francisco Bay, Monterey Bay, Lake Tahoe, and Donner Lake. Author Michael Jeneid has hand-picked the most scenic and enjoyable kayaking areas for both beginners and experts. With this fact-filled book you can find the hidden kayak spots. The 24 trips include daytrips, overnight trips, easy paddles, options for canoers, and real adventures for the advanced kayaker.

Customer Reviews

If you've never been to the sites listed in Adventure Kayaking, Jenner gives the info a kayaker wants to know to make an informed selection: Clear accurate directions to the put-in sites . Comments on winds, tides. Suggested paddle routes. Maps. Notes on the presence or absence of power-boats and picnickers. Where to camp. What a joy to read a guide book, go to a place and experience no major surprises!Jeneid's writes beautifully of natural features and wildlife encountered. Clearly he has a love for birding. If you are a kayaker and a birder, then I highly recommend this book before you plan your next outing.

I checked this book out at the local library and thought it was so valuable that I bought my own copy. My only complaint is that I wish the book could of been bigger so more trips could be included. I had already done some of the trips in the book and I found the book to give not only a fair representation of the area, but I learned a few new things.

This book arrived promptly and looks to be a thorough, well researched guide to cool kayak trips. I haven't tried one yet but have earmarked a few to try.
