# MONEY MAGIC - Coin Tricks And Skills

## Synopsis

The first in a series of Magic Tricks with Money that will enable the magician to create magical miracles using everyday things like coins and banknotes. This magic manual explains the Basic Techniques of Palming, Vanishing and Producing Coins, which provides the skills to perform scores of amazing magic tricks. The book includes several stunning magic tricks with coins, such as, - "Vanishing a Bundle of Coins", "The Easiest Vanish", "It's All In The Mind", "Impossible Balancing Coins", "The Pen - Penny-Traction". All designed to fire your imagination to create countless Magic Tricks with Coins. This magic book is a great accompaniment to the 2nd in the series - "Magic Tricks with Banknotes" - Both are a must for every magician and those just wanting to baffle and amuse their friends and family and be the Life-and-Soul of any party.

## Customer Reviews

This ebook is an excellent resource for beginner to intermediate coin workers. It has some excellent magic explained and with very good explanations with accompanying photos to aid in understanding the techniques. Although the magic is easy to master the effects taught are strong. You would do

well to purchase this if your looking for a good resource and are new to coin magic. Johnnie Gentle has a plethora of downloads for the budding magician, on just about any subject you might be interested in. Have fun and enjoy.

This book is a blast. My son is aspiring magician. He loved this book because it enabled him to perform magic tricks using everyday things like coins and banknotes. There were no special props needed. The author also explains the basic palming technique, and producing coins out of thin air. Five stars!

One of the magic tricks that I really want to learn is using coins. Because the great thing about it is that, you can borrow from anyone or use your own, thus, you can do the trick anytime and anywhere. One of the great things that I got from this book is on how the author gave the step-by-step instruction in doing the tricks. I really learned a lot from it, even though I'm just a beginner.
