SETTLING YOUR INJURY CLAIM WITH THE INSURANCE COMPANY: Strategies To Put More Money In Your Pocket

Synopsis

Based on my years as an insurance adjuster and legal education, in this short book I offer ways to value your claim and ways to maximize the money in your pocket. I also give examples of when it might benefit you to hire an attorney, when it might not, and how much of your settlement they should receive.

Customer Reviews

This ebook was very short. There was no content beyond what a 30 second Google search would relay to a person. The author did not go into depth on any topic - all that was done was to state the obvious.
