LWW's Medical Assisting Exam Review For CMA, RMA & CMAS Certification (Medical Assisting Exam Review For CMA And RMA Certification)

Synopsis

This Fourth Edition of Lippincott Williams & Wilkins's Medical Assisting Exam Review for CMA, RMA & CMAS Certification focuses on the critical most current components of the MA and MAS curricula, making it an indispensable tool for recent graduates, practicing medical assistants, medical administrative specialists and medical administrative assistants preparing to sit for any recognized national certification exams. • Take advantage of a unique approach that uses a pretest with analysis to help users identify their strengths and weaknesses and develop their own personalized study plan to streamline review and practice. This proven book is packed with study smart resources, including more than 3,000 questions and six timed, simulated exams available online, as well as study tips and exam-taking strategies. • Updated and enhanced with new information on key topics that affect medical assistants, the Fourth Edition now includes new chapter-ending Critical Thinking Case Reviews.

Customer Reviews

If you want to pass your RMA, CMA exam on the first try this book is a must for your college library. I worked through the entire book in a month and a half and was ready for my national exam and passed on the first try.

Very well written, easy to research topics. Delivered on time as promised.

clear, thorough and got the job done!
