# Be Gentle With The Young

## Synopsis

In this collection, renowned photographer Anne Geddes revisits more than 100 captivatingly serene and inspiring photographs that exude the innocence, fragility, and peacefulness of infancy. From a napping newborn ensconced within the petals of a rose, to a peaceful child using the stamen of an orchid as a pillow, this book's stellar photographic content is paired with equally lavish production values including full-color imagery throughout. Geddes's *Be Gentle with the Young* reinforces the inherent message behind her work and the Geddes Philanthropic Trust: Children are to be protected, nurtured, and loved. Be gentle with them.

## Customer Reviews

This is a lovely Anne Geddes book, as all her books are. I purchased it as a door prize for a baby shower, and it was a big hit. It's perfect for a baby shower, and touches everyone's hearts! I would highly recommend this book.

I have been one of Anne's fans for many, many years. This is yet another collection of her amazing work. I'm thrilled with having this added to my collection of her beautiful imagery. Amazing.

Have it on the table for everyone to see. Great detail taken by Anne with each photo. If I could take the time to shoot photos, I would do this all day long.

The book itself was in great shape. Images crisp and not worn. Have not read/reviewed it thoroughly yet but otherwise happy with the product.

This book is wonderful. I volunteer at a nursing home and the elderly people love reading and looking at these beautiful baby pictures.
