This is the perfect coffee table book - it is excellently curated with a vast variety of dog photos. It is arranged in no specific order, but many of the pages are themed, weather by season, holiday, landscape, and more. If this doesn't put a smile on your face, I don't know what will! Turning these pages is a great way to decompress and support a family-run initiative and business!

I absolutely love this book! I follow the @dogsofinstagram account on Instagram and I always loved to see the adorable dogs they feature. Now I can see it all the time. I love the quality of all the pictures and I like that you can see the usernames of each dog the picture belongs too. Overall I am really happy with my purchase. Also my pup was featured in the book ;)

It's a nice idea but should have been printed on thicker glossy paper. The pages are on very thin paper (not even printer paper thick) and the colour of the pictures are worse than my basic home printer.

A light- beautiful little book filled with amazing images of cute dogs- what could be better? I also like that you can look up the cute pups on instagram and continue to see what they're up to today!

There isn't much better than a book full of happy dogs. My beagles Copper and Daisy (@copperxbeagle) were picked to be part of this lovely project, so it makes the book that much more special.

Adorable. I am lucky enough to part of this project, well, my dog is that is :) Its full of dogs, puppies, and cuteness, what more could you want? @collarhomestead on Instagram.

Gorgeous book with adorable dogs. Amazing photography by the instagram accounts in the book! I've added a picture of my dog Ellie of @ellie_and_finnegan with her picture :)

Love having sweet photos of lots of different dogs doing HILARIOUS human like things, now sitting proudly on my coffee table! Great addition to our book collection.
