# Nursing Diagnosis Manual: Planning, Individualizing, And Documenting Client Care

## Synopsis

Everything you need to develop a safe and effective care plan whenever you need it. Here's the 5th Edition of the resource you'll turn to again and again to select the appropriate diagnosis and to plan, individualize, and document care for more than 850 diseases and disorders. A new, streamlined design makes reference easier than ever. Only in the Nursing Diagnosis Manual will you find for each diagnosis defining characteristics presented subjectively and objectively - sample clinical applications to ensure you have selected the appropriate diagnoses - prioritized action/interventions with rationales - a documentation section, and much more!

## Customer Reviews

This is a great tool for creating care plans. Would recommend it to any nursing student.

Great product just as described
