I have been to Disneyland too many times to count. I haven't been for the last few years due to a back surgery but am now planning a trip. I wanted to get some info that was up to date on places to stay, etc... There have been many changes in the last 6 years so I just wanted updated info. There

were a couple of tips on places to stay that I found very helpful right off the bat. For someone who has never been or hasn't been in many years, I think this up to date info is well worth the purchase price.
