#Brexit The Whole Story In Simple Words

Synopsis

This book goes on to explain the British exit (abbreviated as Brexit) in simple terms to anyone who is confused with what is going on. It jots down some pros and cons, as well as other implications that the United Kingdom's exit from the European Union might have. Also for those who might be aware of everything, you can still enjoy some puns and light humour on #Brexit in this book. So you might just give it a try at \$0.99, that's not much! (Or its equivalent in GBP!)
